General:

The modular showers shall be manufactured by FIAT Products. The units shall be thermoformed from continuous cast, cross linked acrylic sheet into a one-piece seamless unit with smooth rounded corners and reinforced in back with fibreglass and polyester resin which has been further treated with a flame retardant additive. All FIAT acrylic units meet or exceed flame and smoke

standards as outlined in the National Building Code of Canada. All grab bars meet or exceed ASTM standards. Modular showers shall be pre-drilled for drain fitting connection (supplied by others). Vertical flanges shall be pre-drilled to facilitate to attaching to studs.

Important:

Dimensions may vary plus or minus 1/4" (6 mm) and are subject to revision. Specifications are subject to change without notice. Unless otherwise specified, CSA approval has been obtained wherever required. All products must be installed in accordance with installation instructions provided. Failure to do so may invalidate warranty at manufacturer's discretion.

Warranty:

Fiat Products warrants to the purchaser of FIAT Bathware Products that each unit is free from defects in material and workmanship, under normal use for a period of 5 years on regular acrylic units, 3 years on steam suites, and one year on doors. Fully detailed warranty card and installation manual are supplied with each unit.

FIAT makes it easy for you to install a FIAT 3-piece bathing suite in any existing home or apartment. All 3 sections fit through 26" (660) doorways and the exclusive "FIATFusion®" system locks the sections together.
