

Electronic Two Button Blower Switch With Wave

Features:

- ◆ 1 HP Heated blower
- ◆ Electronic ON/OFF control – operates the variable speed blower
- ◆ 20-minute automatic time out
- ◆ 24-Hour Automatic Daily Purge cycle – user activated (indicated by LED)

Operating Instructions

Left Button:

To Turn System on:

Press and release the button.

The blower will automatically run for 20 minutes and then turn off. An L.E.D. readout will appear to indicate the system is working.

To Set Speed:

Press and hold the button.

The blower will adjust from HIGH to LOW – release button at desired speed. Press and hold the button again to adjust from LOW to HIGH.

To Turn System Off:

Press and release the button a third time to turn the blower off.

24-Hour Daily Purge:

1. Select a time of day that you want the cycle to come ON, choosing a time that will not interfere with daily routines. The cycle will activate the blower motor and force air through the hoses to maintain optimum hygiene.
2. At that time of day, press the left button and hold. DO NOT LET THE BUTTON GO UNTIL THE BLOWER TURNS OFF. (The blower will start on HIGH and decrease to LOW speed, remaining on LOW for about 30 seconds).
3. When it shuts OFF, the Daily Purge is set to run at the same time every day. The L.E.D. will flash immediately, continuing at 5-second intervals, to indicate that the Daily Purge is set.
4. To turn the Daily Purge OFF, repeat the process above; the L.E.D. will no longer flash when the cycle is OFF.
5. In case of power failure, the Daily Purge needs to be reset.

Right Button:

Note: To activate Wave button, blower must first be turned on using Left Button.

To Set Wave:

Press the right button to activate Wave mode. The blower will gradually cycle from its lowest to its highest speed.

To Turn Off Wave:

Press and hold the right button a second time. The blower will remain at the speed it was running when the Wave Mode was turned off.

The FIAT logo is centered at the bottom of the page. It consists of the word "FIAT" in a bold, serif font, with a horizontal line above and below the letters.
